Divine Restoration Testimonies

Supernatural Restoration!

'In 1997, a group of people conspired against me at my place of work and that led to my dismissal. However, in 2001, my wife invited me to this Church and then we followed every instruction from the altar. When the Wonder Double Prophetic Agenda was flagged off in 2015, my family and I engaged with it rigorously for our change of story. In one of the services, while Bishop David Oyedepo made declarations, he said, "Any faith that makes God absolutely responsible is an irresponsible faith." He further emphasised that we play our parts in order to see God's Hand in our affairs and this I did. Thereafter, I moved to Abuja and miraculously, all the doors that were closed against me opened up. Also, I have been reinstated in the organisation I was dismissed twenty years ago. And all my accumulated benefits and salaries since 1997 till date has been fully paid. To God be all the glory!'

Business Restoration via an Encounter!

'I used to be an employer of labour but suddenly, everything went down and I lost all my customers. No one was willing to patronise me and I ran into debt. It was so bad that I could not afford to feed my family, let alone pay the school fees of my children. However, on 3rd March, 2018, I saw Bishop David Oyedepo praying for people and I joined them.

I connected to all the blessings he pronounced and the testimonies he shared. Thereafter, I attended the Church for the first time and that same day, before I stepped out of the Church gate, I got a call. The caller asked me to come for a big business supply, I did and made a substantial amount of money out of that business. Now, I am restored and I have started my Believer's Foundation Class. The God of Bishop David Oyedepo has surprised me. I return all the glory to Him!'
